

## Cake Flower Fashions & Toppers

The wedding cake is no longer a plain dessert you just cut and eat. It's now a personal expression of the bride and groom. It's now a vivid illustration of the wedding theme. It's now a tantalizing, decadent dessert with multiple layers of mouth watering flavor. And a cake with such personality needs to be equally dressed with a fabulous floral design and magnificent cake topper. This article is filled with cake flower decorating ideas, from flowers to toppers.

**Cascade Affect** (Picture to the Left)

This magnificent design shows off a cascading waterfall of colorful flowers, including fuchsia/peach zinnias, yellow gerbera daisies, deep purple irises and a mixture of corresponding petals.

**Layered Impact** (Picture to the right)

This multi-tiered cake has been engulfed in rings of roses. This gives a bold color statement without being overpowering by allowing the cake layers to show.

**Satellite Toppers** (Picture to the left)

This stunning cake uses individually created satellite toppers to enhance the look of the cake. Flower toppers are also used in between the cake layers, while the actual cake topper figurine is located at the bottom of the cake. The cake was also dressed up with garland wraps and matching petals. The Burgundy ribbon adds a soft element to this look.

## Cake Toppers

A cake topper can add a subtle level of décor to your cake or be humorous enough to be a topic of conversations. Here are several examples of cake toppers to consider.

### Circle of Love Figurine

Add this figurine to your wedding cake for touching romance, and display it as a special memento after the wedding.

### Letter Cake Top

Add a personal touch to the top of your wedding cake with lightweight, silver-tone letter cake tops. An ampersand (&) is also available for use when ordering more than one letter.

### Heart-Shaped Cake Top

Achieve the look of crystal without the high cost. This 4" x 4" lightweight, heart-shaped acrylic cake top is engraved with entwined hearts and can be personalized with your first names and event date.

### Suspended Heart

Suspended from a pretty, glassblown, double-heart stand, the silver-tone heart may be personalized with your first names and wedding date for all to see.

### It's "Our" Day - Cake Toppers

Bring laughter into the special day with these humorous cake toppers. These one of a kind toppers can be used to brighten up a wedding or bridal shower cake.
